

► Imagine stepping out of the classroom and into an indoor cutting-edge training environment that includes a several thousand sq. ft. indoor putting and chipping facility, K-Vest technology, launch monitors, Dynamic Balance System, V1 Digital Coaching system, golf simulator, MEGSA, Trackman, Sam Putt Lab. With an average of more than nine full-time PGA Professionals at each of our campus locations, there is never a lack of skill, game knowledge or industry insight.

Admissions requirements for international students may be found in Golf Academy of America's International Handbook. Go to golfacademy.edu or contact Denise Turner: denise.turner@golfacademy.edu or 407-327-8295.

Golf Academy
of America®
Your Path to a Golf Career

▶ Today, thousands of Golf Academy of America graduates are living their dream of working in a satisfying and flexible career, supported by a strong network of fellow graduates, employers, faculty, and PGA Professionals. For over 35 years, we've successfully prepared men and women of all ages for golf careers in course operations, retail, business management, teaching, marketing and other areas. The \$76 billion golf industry requires skilled, confident and passionate professionals – the kind of graduates Golf Academy of America provides. Whether you are changing careers or just getting started, Golf Academy of America offers the opportunity to improve your game, achieve academically and learn specialized skills. These actions, fueled by your passion, will serve you well wherever your golf career takes you.

The largest and longest-running golf college in the world, Golf Academy of America is accredited by the Accrediting Council for Independent Colleges and Schools (ACICS). GAA offers a comprehensive curriculum of golf instruction, operations and business management. An associate's degree from Golf Academy of America offers a lifetime of opportunity in as few as 16 months.
